OF HOLLISTON, MA

What do our Jewish values say about immigration today?

JALSA's "Judaism & Immigrant Justice" curriculum connects Jewish theology and history with the current movement for immigrant rights. The program explores the relationship between the Jewish community and the American immigration system. It ends with a call to support our immigrant neighbors through concrete action steps.

All are welcome!

JALSA puts our Jewish values into action by engaging the Jewish community and our allies in the pursuit of social, economic, environmental, and racial justice. As a grassroots, membership-driven nonprofit organization, our efforts to create a more just and equitable society are powered by relationships in both the public policy and Jewish communities.
